MAY 08 2009

Dear Mr. Schrum,

Subject: Label Amendment and Response to the Conditions of Registration
Natrapel 8 hour Insect Repellent
EPA Reg. No. 56575-15
Application dated January 26, 2009

The label amendment referred to above, submitted in connection with the Federal Insecticide, Rodenticide, and Fungicide Act, as amended, is acceptable provided you:

1. Change "Repels insects and ticks for up to eight hours" to: "Repels mosquitoes and ticks for up to eight hours."

Thank you for your response to the conditions of registration for the subject product including submission of the updated Confidential Statement of Formula (CSF). The basic CSF dated December 18, 2009 supersedes all previous CSFs and is the basic CSF of record.

A stamped copy of your label is enclosed for your records. If you have questions, please contact Kevin Sweeney at (703) 305-5063 or sweeney.kevin@epa.gov

Sincerely,

Richard Gebken
Product Manager 10
Registration Division (7505P)
Insecticides Branch

PRECAUTIONARY STATEMENTS: Hazards to Humans: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco.

FIRST AID IF IN EYES:
- Hold eye open and rinse gently with water for 15-20 minutes
- Remove contact lenses, if present, after the first five minutes, and then continue rinsing.
- Call a poison control center or doctor for treatment advice.

FIRST AID IF SWALLOWED:
- Call a physician or poison control center immediately for treatment advice.
- Have a person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by Poison Control Center or a doctor.
- Do not give anything to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-858-7378 for emergency medical information.

PHYSICAL HAZARDS: Flammable. Do not use or store near heat sources, sparks or open flame. Contents under pressure do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting. Do not smoke while applying.

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Read all Directions and Precautions on this Product Label prior to use.
Hold 4 to 6 inches from skin while spraying keeping nozzle pointed away from face. Do not inhale. Do not spray directly on face or enclosed areas. To apply to face, spray on hands and rub on. Slightly moisten with a slow sweeping motion. Excessive amounts or frequent reapplication is unnecessary. Do not apply to the hands of small children. Repels insects and ticks for up to eight hours. Reapply every 8 hours. Do not exceed two applications per day. Avoid contact with lips, cuts, wounds, or irritated skin. Do not apply to excessively sunburned skin. Do not spray directly on face. Do not apply under clothing. Apply sparingly around ears.

STORAGE & DISPOSAL: Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame. IF EMPTY: Do not reuse this container. Place is trash or offer for recycling if available. IF PARTLY FILLED: Call your local solid waste agency or 1-800-526-9377 for disposal instructions. Never place unused product down any indoor or outdoor drain.
