Subject: OFF! Lotion Formula HU
EPA Registration No. 4822-468
Application dated February 20, 2004

Dear Ms. Geyer:

The proposed amendment to the registration for the product cited above under The Federal Insecticide, Fungicide And Rodenticide Act, as amended revising the label in response to PR Notices 2001-1 and 2001-6 and making additional labeling changes is acceptable subject to the comments listed below:

1) Place the following statement in the First Aid section:

▒For additional information in case of emergency call toll free(Insert phone number).▒.

2) The following statements must added to the directions for use:

▒Do not allow children to handle this product.▒
▒Do not apply to children's hands.▒
▒When using on children, apply to your own hands, and then put it on the child.▒

3) Add the statement, ▒Wash treated clothing before wearing it again.▒, to the Precautionary Statements.

Once the efficacy guidelines are in place, efficacy data will be required. You will be notified of the efficacy requirements

Re-registration for repellent/sunscreen combination products is deferred.

A stamped copy of the amended label is enclosed for your records. Submit two copies of the final label before the product is released for shipment under this revised label.

The Confidential Statements Of Formula dated February 19,2004 for the basic formula and seven alternate formulas are acceptable and have been placed into the file for this product.

If you have any questions or comments please contact Joseph Tavano at (703) 305-6411.

Sincerely,

Joseph M. Tavano

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS - CAUTION: ***Causes moderate eye irritation. Avoid contact with eyes. Use of this product may cause skin reactions in rare cases. Wash thoroughly with soap and water after handling.***

[Note to reviewer: Boxed format or bullets may be used in First aid section if label space permits]

FIRST AID:
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Skin: If you suspect a reaction to this product, discontinue use, take off clothing that may have come in contact with treated skin, wash treated skin and call a poison control center or doctor for treatment advice.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
Read and follow all directions and precautions on this product label.

For best results, spread evenly and completely over all exposed skin. Apply to hand for application to face and neck and rub on. Do not apply near eyes and mouth. ***Apply sparingly around ears.*** Use just enough repellent to cover exposed skin. ***Avoid over-application of this product.*** Frequent reapplication and saturation are unnecessary. Do not keep product on any longer than necessary. After returning indoors, wash treated skin with soap and water. Do not use under clothing. Do not apply on or near: acetate, rayon, spandex, dynel fabrics or other synthetics (other than nylon), furniture, plastics, leather, watch crystals and painted or varnished surfaces including automobiles.

STORAGE: Store away from heat or flame in an area inaccessible to children.
DISPOSAL: ***Before disposing, empty the container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency or 1-800-529-3394 for disposal instructions. Never place unused product down any indoor or outdoor drain.***
