316 Highland Ave
Hartford, WI 53027-1318

SEP 3 2009

Subject: Amended Reregistration Label For: MGK 326
Personal Insect Repellent II, EPA Registration No. 46813-22

Dear Ms. Killoren:

The Agency in accordance with the Federal Fungicide and Rodenticide Act as Amended (FIFRA) has completed reviewing all of the information submitted with your application to support the reregistration of the aforementioned product in connection the **MGK 326 RED**, and have concluded that your submission is acceptable.

The Agency is in the process of developing and improving the current Efficacy Assessment Guidelines for repellent products. The Agency intends to defer the determination of any related efficacy data requirements supporting the claims that may appear on this label until these Efficacy Assessment Guidelines are complete. When the guidelines are finalized, the Agency expects to issue a Data Call-In to address the revised guidelines to all registrants with registrations for personal repellent products that have not previously submitted efficacy data sufficiently consistent with the revised guidelines.

NOTE: This product is not being re-registered under FIFRA Sec. 4(g) at this time.

K-G Packaging, Inc. should note that a notice of availability of EPA's reregistration eligibility decision (RED) documents for products containing:

- MGK 264 was published in the *Federal Register* July 26, 2006 (Volume 71, Number 143) Page 42381-42383).

As a result of this RED, additional data and/or labeling changes may be required for products containing MGK 264.

You must submit two copies of the final printed label revised in accordance with the comments listed above before the product is released for shipment under this label. If you have any questions, you may contact Samantha Hulkower at (703)-603-0683 or Hulkower.Samantha@epa.gov.

A copy of your label stamped "Accepted" is enclosed for your records.

Sincerely,

A handwritten signature in black ink, appearing to read "Richard J. Gebken".

Richard J. Gebken, Product Manager (10)
Registration Division, Insecticide Branch

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read and Follow All Directions and Precautions on This Product Label

- Apply this product only to exposed skin and/or clothing as directed on this label.
- **DO NOT** spray in enclosed areas. Avoid breathing a spray product, and **DO NOT** use it near food.
- Repellents should be applied only to exposed skin and/or clothing (as directed on this product label). **DO NOT** use under clothing.
- Never use repellents over cuts, wounds or irritated skin. Use just enough of this product to cover exposed skin and/or clothing. Avoid over-exposure of this product. If biting insects do not respond to a thin film of repellent, apply a bit more.
- **DO NOT** apply near eyes and mouth, and apply sparingly around ears. When using sprays, do not spray directly into face; spray on hands first and then apply to face.
- **DO NOT** allow children to handle this product, and **DO NOT** apply to children's hands. When using on children, apply product to your own hands and then put it on the child. **DO NOT** use on infants.
- **DO NOT** apply more than 3 times per day to children ages twelve (12) and under.
- After returning indoors, wash treated skin with soap and water or bathe.

- Wash treated clothing before wearing it again.
- **DO NOT** apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles).
- **Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent product with you.**

To Repel the Listed Insects

[First, remove protective cap.] Hold can at least 12 inches away, point valve in desired direction and press button to spray. Apply to clothing and all exposed skin areas. Repeat as needed. For ticks and chiggers, apply to shoe tops, socks and around openings in clothing.

Storage and Disposal

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store this product in a cool, dry (preferably locked) area away from heat or open flame.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Do not puncture or incinerate! **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions [or toll free number or website, which meets the criteria in paragraph II.E. of PR Notice 2007-1]

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Causes substantial but temporary eye injury. Harmful if swallowed. Avoid contact with eyes. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

First Aid

If Swallowed:	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give anything by mouth to an unconscious person.
If in Eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies or pesticide incidents), you may call 1-800-xxx-xxxx¹ or the National Pesticide Information Center at 1-800-858-7378.

{Note: The first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

Physical or Chemical Hazards

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting.

[In case of medical emergencies or health and safety inquiries, or in case of fire, leaking or damaged containers, information may be obtained by calling 1-800-{phone number}.

[For product information call toll-free: 1-800-{phone number}.
