U.S. ENVIRONMENTAL PROTECTION AGENCY  
Office of Pesticide Programs  
Registration Division (H7505C)  
401 "M" St., S.W.  
Washington, D.C. 20460

EPA Reg.  
Number:

48139-12

Date of Issuance:

NOV 9 2004

## NOTICE OF PESTICIDE:

Registration  
 Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

EVERGLADES EVERYDAY  
INSECT REPELLENT  
TOWELETTE

Name and Address of Registrant (include ZIP Code):

Hilton Head Laboratories Inc.  
484 Browns Cove Road  
Rigeland, SC 29936

**Note:** Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label change:

a. Revise the EPA Registration Number to read, "EPA Reg. No." 48139-12.

Signature of Approving Official:

*See page 2*

Date:

*November 9, 2004*

3. Efficacy data guidelines are being developed. Once these guidelines are in place, product specific efficacy data will be required for all DEET products. Once the efficacy guidelines are in place, you will be notified of the efficacy requirements.

4. Submit two (2) copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Richard Gebken  
Acting Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

## FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing: If you suspect a reaction to this product, discontinue use, take off contaminated clothing, wash treated skin and call a poison control center or doctor for treatment advice.

**PHYSICAL & CHEMICAL HAZARDS : FLAMMABLE** - Do not use near heat or open flame. Keep treated surfaces away from fire or flame until dry.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

## MASTER LABEL

Open package, remove and unfold towelette. For maximum protection moisten all exposed skin evenly and completely. Do not apply over cuts, wounds, irritated or sunburned skin. Do not apply near eyes and mouth. Apply sparingly around ears. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Frequent reapplication is unnecessary. Do not apply to children's hands. Do not allow children to handle this product. After returning indoors, wash treated skin with soap and water. Do not use under clothing. Will not damage cotton, wool, or nylon. **DO NOT APPLY ON OR NEAR:** acetate, rayon, spandex, or other synthetics (other than nylon), furniture, plastics, leather, watch crystals and painted or varnished surfaces including automobiles.

**STORAGE:** Store away from heat or flame in an area inaccessible to children.

*[The following is for individually-wrapped towelettes]*

**DISPOSAL:** Before disposing, empty package by using the product according to the label. Do not reuse towelette or wrapper. Place used towelette and wrapper in trash.

*[The following is for outer containers containing individually wrapped towelettes]*

**DISPOSAL:** Before disposing, empty package using the product according to the label. Do not reuse towelette or wrapper. Place used towelette and wrapper in trash. Place outer container in trash or offer for recycling if available.
