**Subject: Label Notification(s); Pesticide Registration Notification (PRN) 98-10  
AQUAPEL® INSECT REPELLENT Pump Spray 27413, EPA Reg. No. 51147-18  
Your Submission Dated February 3, 2011**

Dear Mr. Reynolds:

The Agency is in receipt of your application for Pesticide Notification under Pesticide Registration Notification (PRN) 98-10, dated February 3, 2011, for the referenced product. The Registration Division has conducted a review of this request for its applicability under PRN 98-10, and finds that the action(s) requested fall within the scope of PRN 98-10.

Please be reminded that 40 CFR §156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label (and can be added by non-Notification/PRN 98-10) or durably marked on the container itself.

The label submitted with this application has been time-stamped "Notification," and will be placed within the administrative file for this product. If you have any questions, please contact Mr. Carmen Rodia at (703) 306-0327 or via e-mail at [Rodia.Carmen@epa.gov](mailto:Rodia.Carmen@epa.gov).

Sincerely yours,

A handwritten signature in black ink, appearing to read "Richard J. Gebken".

**NOTIFICATION**

**MAR - 1 2011**

Dear Mr. Gebken:

Technology Sciences Group, Inc., on behalf of Vertellus Performance Materials, Inc. (Vertellus), is submitting the enclosed notification to update the labeling of the above-referenced product to include a reference statement on the front panel of the label to inform the user to see First Aid and additional Precautionary Statements on the back, side, or other panel of the label. This product is not classified as toxicity category I, and therefore is eligible to display the First Aid section on an alternate panel from the front panel should the registrant or a sub-registrant desire. Please find enclosed the following documents supporting this response:

- 1) EPA Notification Form (EPA Form 8570-1);
- 2) One copy of the revised label with changes marked;
- 3) Three clean copies of the revised label.

If you have any questions or require additional information or clarification, please do not hesitate to contact me by phone at (202) 828-8967 or by e-mail at [mreynolds@tsgusa.com](mailto:mreynolds@tsgusa.com).

Sincerely,

Regulatory Consultant to  
Vertellus Performance Materials, Inc.

## WARNING

Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

AQUAPEL® Pump Spray 27413 is a convenient, easy to use pump spray that allows quick and thorough application to skin, hair, and clothing for maximum protection.

**Read and follow all directions and precautions on this product label.** Do not apply over cuts, wounds, or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears.

Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid over-application of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local Poison Control Center. If you go to a doctor, take this repellent product with you.
