For chiggers and ticks, also spray pant cuffs, socks and around openings in outer clothing. **DO NOT** allow children to handle this product, and **DO NOT** apply to children's hands. When using on children, apply product to your own hands and then put it on the child. **DO NOT** use on infants. Instruct older children in the proper use of this product. **DO NOT** apply more than 3 times per day to children ages twelve (12) and under. After returning indoors, wash treated skin with soap and water or bathe. This is particularly important when repellents are used repeatedly in a day or on consecutive days. Wash treated clothing before wearing it again. Will not damage cotton, wool or nylon. **DO NOT** apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles). Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center.
