PREVENTION, PESTICIDES
AND TOXIC SUBSTANCES

June 23, 2009

Mr. Stuart L. Ruff, Officer
Promotia International, Inc.
9 Hickory Road
Danville, NJ 07834-9333

**Subject: Amended/Updated Labeling, Net Effect Roll On! Insect Repellent
EPA Registration No. 75583-1
Your E-Mail Submission Dated May 5, 2009**

Dear Mr. Ruff:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

Current labels on DEET repellent products tend to dissolve from contact with the repellent (usually liquids). All reregistered DEET product labels must use materials that remain permanent and readable for the reasonable life of the product.

The Agency is in the process of developing and improving the current Efficacy Assessment Guidelines for repellent products. The Agency intends to defer the determination of any related efficacy data requirements supporting the claims that may appear on this label until these Efficacy Assessment Guidelines are complete. When the guidelines are finalized, the Agency expects to issue a Data Call-In to address the revised guidelines to all registrants with registrations for personal repellent products that have not previously submitted efficacy data sufficiently consistent with the revised guidelines.

A copy of your label stamped "Accepted" is enclosed for your records. If you have any questions about this label review, please contact Mr. Carmen J. Rodia, Jr. at (703) 306-0327 or via e-mail at Rodia.Carmen@epa.gov.

Sincerely Yours,

FOR

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Use just enough repellent to cover exposed skin and/or clothing. Avoid over application of this product. Do not use under clothing. Do not allow children to handle this product. Do not apply to children's hands. When using on children, apply to your own hands, then pat it on the child. After returning indoors, wash treated skin with soap and water. May damage certain synthetics, fur, furs, plastics, leather, watch crystals, and painted or varnished surfaces.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in a cool dry area away from heat, open flame, and children.

Container Disposal: If empty: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions.

PHYSICAL/CHEMICAL HAZARDS

FLAMMABLE. Keep away from heat and open flame.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS

WARNING: Causes substantial but temporary eye injury. Do not get in eyes. Do not apply near eyes and mouth. Do not apply near cuts, wounds, or irritated skin. Apply sparingly around eyes. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Wash treated clothing before wearing it again. Use of this product may cause skin reactions in sensitive individuals. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you. **FIRST AID IN EYES:** Hold eye open, and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Keep the product on label with you when calling a poison control center or doctor, or going for treatment.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-saturation of this product. Do not use under clothing. Do not allow children to handle this product. Do not spray to children's hands. When using on children, apply to your own hands, then rub it on the child. After reentry indoors wash treated skin with soap and water. May irritate certain synthetics, fur, rubbers, plastics, leather, waxes, greases, and painted or varnished surfaces.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal. Store in a cool dry area away from heat, open flame, and children.

CONTAINER DISPOSAL

If empty: Recycle where available. Do not reuse or refill this container. If not recyclable, call your local solid waste agency for disposal instructions. **PHYSICAL/CHEMICAL HAZARDS & ADJUVANT:** Keep away from heat and open flame.
